The Aspire Range

The Avan Aspire range has been specifically designed & constructed to bring maximum value to the adventurer and holiday maker.

This contemporary range of caravans combines superior construction, quality appliances and fittings with space saving designs. Smart interior design ensures maximum comfort and versatility, with the unmistakable feeling of class that's synonymous with Avan. The Aspire series is designed with active travellers in mind it's well suited to families and adventure seekers alike with an abundance of options and layouts to suit every travel need.

The Avan Advantage

Avan's super-strength light weight aluminium composite panel construction delivers superior strength and insulation without extra weight, meaning better fuel economy when travelling.

Every Avan Aspire features double-glazed and tinted windows, combined with all-round insulation to maximise your living comfort in all climate conditions.

The Aspire collection allows maximum ventilation, with its anti-jam blind & flyscreen system and two-piece entry door. What's more, the standard air-con ensures your comfort through the long hot Kiwi summers!

Along with a three-way fridge, cooktop & rangehood, plus so many other quality standard features the Avan Aspire series delivers all elements in affordable travel.

Spoil yourself with the many extras available to give your van a contemporary yet homely feel!
